## MISSION STATEMENT OF SACRED HEART OF JESUS CHURCH

*Following the 'call' of Jesus the Christ, we the  
Catholic Christian Community of Sacred Heart of Jesus Church  
dedicate ourselves to the mission of collaboratively providing and promoting a healthy  
Christian environment for worship, education and service to the People of God*

This Mission Statement was developed by the Pastoral Council as a response to the Archdiocese of New Orleans' recommendation for the "Catholic 2000" project. It is to be used as the pinnacle in all parish programs, preparation, and implementation of present and future projects. In doing so the Pastoral Council hopes that our parish will continue to strive in following the call of Jesus the Christ in all that we undertake.

One of the key words in this Mission Statement is "collaboratively." This word implies that we should endeavor to work together for a common purpose keeping in mind, at all times, the good of the community. We should be focused on providing a place of worship, education, and service that exemplifies the life and teachings of Our Lord and Savior Jesus Christ.

The directives of this Mission Statement describe an ongoing process that never ends. As we grow and mature, our theology changes to meet the needs of those it serves. So too, must we be ready to be open to the Spirit as our parish grows and changes as it evolves into a people chosen by our God to live lives that are genuine and spirit-filled.

### OUR PARISH SCHOOL OF RELIGION (PSR) MISSION

As catechists (teachers of the faith), we realize that the primary responsibility of religious education is with the parents of our students. Our mission is to support parents in that endeavor and to supplement their teaching with catechesis that teaches students about the Catholic Church and Christian living. We will seek to accomplish this mission by establishing and maintaining a learning environment that is healthy and safe, by using materials and a curriculum approved by the Church and by modeling the faith.

Please work with us in establishing an atmosphere of respect for both teachers and students and proper behavior in church.
2. Students should always be polite, thoughtful and respectful to others and conduct themselves in an orderly manner in church, classrooms, restrooms, hallways and before and after class.
